Objective:

The main aim of the camp was to promote awareness among students and staff regarding the importance of blood donation and to contribute towards saving lives through voluntary blood donations.

Event Overview:

A Blood Donation Camp was organized at **KC Group of Institutions, Pandoga** on 27th May 2022 in collaboration with the **Regional Hospital Blood Bank, Una**. The event aimed at encouraging students, faculty, and staff to take part in this noble cause of donating blood and saving lives.

Activities and Participation:

- The event began with a brief introduction about the importance of blood donation by the college management and doctors from the Regional Hospital.
- Donors were guided through a proper health screening process including blood pressure and hemoglobin checks.
- A total of **60+ units of blood** were successfully collected during the camp.
- Refreshments were provided to all donors after donation.
- All donors were given appreciation certificates by the hospital team.

Key Benefits Highlighted During the Camp:

1. Donating blood improves cardiovascular health.
2. Reduces the risk of cancer and maintains iron levels.
3. Helps in stimulating blood cell production.

4. Promotes a sense of goodwill and community service.
5. A single donation can save up to **3 lives**.

Outcome:

- The event witnessed **enthusiastic participation** from students, faculty, and administrative staff.
- It fostered a strong sense of **social responsibility** and **health awareness** among attendees.
- The camp was smoothly conducted under the guidance of trained medical staff ensuring hygiene and safety protocols.
